

Juniors and seniors who make a 22 or better on their ACT this year will be rewarded \$50.00 from the Superintendent's office. This is only good for one time. You can get information in the Counselors' office or Ms. Fryer's office to register for the ACT. You can also register by yourself at actstudent.org.

The next ACT date is October 25, 2014. The regular registration deadline is September 19, 2014.

The ACT is offered six times a year. It is \$38.00 to register. Students who receive free/reduced lunch are eligible for a fee waiver to take it at no charge, two times their junior or senior year. See Ms. Hurt for a fee waiver.
